## **2011-2012 Report**

World's Attic continues the work of raising money to financially assist Mennonite Central Committee development and relief programs.

\$12,000 was given to MCC in the past year. An additional \$19,200 was paid to Allegheny Conference in rent. Donations were made to New Day, Somerset Fire Department, as well as participating in the Fire & Ice Festival in Somerset.

The incredible part is that this is all accomplished through the work of the dedicated volunteers. There are approximately 100 volunteers who work to make this all happen.

Something new and exciting is that the Board has acted on a recommendation from our MCC representative which was that:

*Our giving to MCC will be reduced to a tithe for a year so that a manager could be hired.*

***We are happy to announce that Sheri Speigle has been hired part-time to be the manager for a six month trial period***

Thank you to all for the work that has been done in the last year. We are always in need of more volunteers, and can find a job for all who wish to help.
