

2012-2013 Nominating Committee Report

Members: Roveen Yoder (2013) (Casselman)
Jane Rittenhouse (2014) (Western)
Bill Brubaker (2015) (Western)
Nancy Kauffman, Chair (2015) (Eastern)

The nominating committee didn't begin their work on the slate till the beginning of November 2013. Our committee worked together through emailing each other instead of meeting face to face since we live a distance from each other.

The slots that needed filled were: Conference Treasurer, Western Regional Rep., and CLC (Constituency Leadership Council) & Delegate to MC USA.

We would like to say, "THANK YOU" to the delegates that submitted names on the nomination forms. It plays a big part in trying to fill positions for Leadership Council each year. We tried to continue as in years past offering a two person slate, agreeing it allows the delegates greater voice in choosing their leaders.

Each nominating committee member accepted responsibility to call the names for one position and to keep each other informed of their progress. We were given 3 to 4 names for each position to make personal contacts. As we continued our work we were confronted with the results of only having one name for each position that needed filled. These persons that allowed their names to be on the ballot we are very grateful and know that they are gifted and respected in these areas,

Thank you to all who prayed and participated in the process.

Nancy J. Kauffman, *Chair*
